1 – The Magician

The Magician is a good omen in matters of love life. He is also beneficial for professional relationships and is a sign of promotion. He invites you to all kinds of meditation so you can live your spirituality to the fullest.

2 – The High Priestess

She evokes a happy and sincere relationship that lasts over time. She embodies professional success driven by limitless motivation. She embodies a person in constant evolution.

3 – The Empress

She represents the whole physical side of love's games, while reflecting femininity at its best. She inspires self-confidence and pushes you to act in the right direction.

4 – The Emperor

He makes it possible to commit positively to a romantic future with a partner. He positions his subjects as group leaders.

5 – The Hierophant

He sends us unsettling signs from a romantic point of view, even though he is filled with love. He is the sign of a most prosperous professional period. He is a spiritual guide.

6 – The Lovers

In perpetual hesitation, the figure of The Lovers struggles to take on his responsibilities, in love as at work. Very easily influenced, he is in financial danger.

7 – The Chariot

His love life is more than positive. He is in pole position when it comes to his professional development.

8 – Justice

With Justice, romantic values are of paramount importance, as much as the professional rules of the workplace. A committed person of exemplary integrity.

9 – The Hermit

He draws strength from a lasting relationship. His mind is very positive and he knows how to be patient before obtaining something.

10 – The Wheel of Fortune

It always heralds positive or negative changes. Whether in love or in professional life.

11 – Strength

It is the sign of a flawless romantic relationship. It characterises faith in one's work. It also teaches how to channel one's impulses.

12 – The Hanged Man

He is the sign of a double relationship and of insincere feelings. He works in the shadows, but he knows how to be very patient.

13 – The Nameless Arcanum / Death

It heralds a future separation within a couple and a professional change.

14 – Temperance

Harmony in the couple, teamwork and perfect balance in life.

15 – The Devil

A sign of short-lived relationships, destructive communication.

16 – The Tower

A positive romantic relationship, but the end of a professional cycle.

17 – The Star

Tenderness and compassion within the couple, but somewhat lagging behind at work.

18 – The Moon

It is the sign of a secret relationship, of creativity and motivation.

19 – The Sun

It is the embodiment of desire within the couple and of professional opportunities.

20 – Judgement

A sign heralding a new encounter to come, with professional upheaval.

21 – The World

A happy, uneventful love life, rewarded with glory and success.

22 – The Fool (Madman)

A sign of a new lease of life, the arrival of important changes.
